Charles Ouellet, Edwin Hoffman,
Evelyn Benton

AUDITORS

Phyllis Holbrook, Lois Ignaszewski

INFORMATION FOR VOTERS

Thornton was incorporated as a town in 1781.

Location: Midway of the Pemigwasset Valley, between
Plymouth and the Franconia Notch.

Population: 480 (1960)

Registered Voters: 305 (Nov. 1962)

Area: 32,640 Acres—of which ^{15,050}1,505 Acres are Public
Lands.

Altitude: From 555 to 2,610 feet

1966 IS ELECTION YEAR

	Office now held by:
1 U. S. Senator	Thomas McIntyre
1 Congressman	James Cleveland
1 Governor	John King
1 Councilor	William Stiles
1 N. H. State Senator	Lester Mitchell
2 Representatives to the N. H. State Legislature	None
1 County Commissioner	Kenneth Bell
1 County Attorney	Robert Bowker
1 County Treasurer	Lawrence Colby
1 Register of Deeds	Charles Wood
1 Register of Probate	Anna D. Proctor
1 County Sheriff	Herbert Ash
1 Town Moderator	Kenneth Robbins
3 Supervisors of the Checklist	Charles Ouellet Edwin Hoffman Evelyn Benton

These officers will be on the ballots in the September primary and the November election.

This is in addition to and separate from those officers elected at our annual town meeting.

It will be well to remember that Thornton is in the:

1st Councilor district

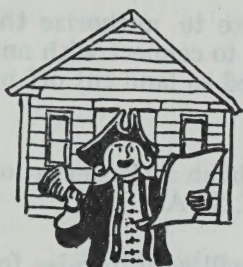

2nd Congressional district

3rd State Senate district

and a Representative district made up of the towns of Campton, Holderness, Ellsworth, Rumney, Thornton, and Waterville. This district will be entitled to two representatives at every session of the Legislature.

This is the result of a Constitutional amendment which was passed by the 1964 Con. Con., ratified by the voters and the final apportionment plan was passed by the 1965 Legislature.

There will be no more "unentitled" towns in New Hampshire.

Hear Ye- Hear Ye!

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Thornton in the County of Grafton in the State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Consolidated School Building in said Thornton on Tuesday, the 8th day of March, next at 4:00 o'clock in the afternoon, at which time the polls shall be opened and shall close not earlier than ten o'clock in the afternoon, to act upon the following article one: all articles except one will be considered at 7:30 o'clock in the afternoon.

1. To choose a town clerk, a town treasurer, a collector of taxes, one selectman for three years, one trustee of trust funds for one year, one trustee for three years, one road agent, a superintendent of cemeteries, a health officer, and two police for the ensuing year, and one auditor for three years.

2. To see if the Town will vote to authorize the selectmen to hire money in anticipation of taxes.

3. To see if a 1% discount will be allowed on property taxes paid before a certain date to be later set by the selectmen.

4. To see if the Town will vote to authorize the selectmen to sell Town Property taken on tax title.

5. To see if the Town will vote to authorize the selectmen to acquire rights of way to connect with any access roads which may be provided to land cut off by Rte. I-93.

6. To see if the Town will establish a Conservation Commission as set forth in R. S. A. 36-A.

7. To see what sum the Town will vote to raise for advertising in cooperation with the "Ski 93" association.

8. To see if the Town will authorize the selectmen to negotiate with the Horner Estate for additional land for the cemetery and make appropriation for same.

9. To consider the budget as posted and to raise and appropriate the necessary sums to satisfy it.

10. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and sixty-six.

RICHARD BRADLEY
ARTHUR L. GROSS
ALTON G. BENTON

Selectmen of Thornton

A true copy of Warrant—Attest:

RICHARD BRADLEY
ARTHUR L. GROSS
ALTON G. BENTON

Selectmen of Thornton

THE BUDGET

Estimates of Revenue and Expenditures for Ensuing Year

Ensuing Year January 1, 1966 to December 31, 1966

Compared with

Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year, January 1, 1965 to December 31, 1965

Inventory

Inventory blanks must be mailed by March 25th to be returned by April 15th except for extension of filing time to June 1st.

Upon return of Inventory, selectmen shall assess the tax unless they feel inventory does not contain a full and true statement in which case dooamage—a four fold increase in tax—shall be imposed.

Veterans' Exemptions

Veterans property tax exemption is \$1,000 for veteran and his widow 65 years of age or older and \$1,000 for others if the value of equity (exclusive of mortgages) does not exceed same proportion as \$10,000 is to 100% true value. Veteran must have served 90 days in wartime discharged other than dishonorable, not delinquent in payment of local-state taxes and filed annual application for exemption with selectmen by April 15th.

Abatement

Selectmen may abate any tax for good cause—all applications for abatements to be in writing.

Persons aggrieved by assessment of selectmen may appeal to tax commission on payment of \$5 application fee.

Dangerous Buildings

The selectmen in towns with no fire wards or engineers may give written notice to owners of buildings dangerous to others to alter or repair same. Notice to be sent registered mail or delivered personally and may be served on the occupant if the owner does not reside in town. The list of repairs are made within five days or on extension has been granted for reasonable cause owner or occupant is liable for a \$50 a day fine, etc.

**REPORT TO HEALTH OFFICERS TOWN OF
THORNTON, N. H. FOR YEAR ENDING
DECEMBER 31, 1965**

With the cooperation of the School Nurse the children in grades 1-4 and 8 were given the Heaf Stern-needle test for tuberculosis and also received booster shots of diphtheria and tetanus vaccine. We do these same grades every year so the children can be protected every 3-4 years.

The state public health nurse also made home visits for follow up care and correction of defects.

This is the year when "Medicare" will come into effect. Starting July 1, 1966 home nursing will be paid for by Medicare for those who are covered, over 65 years of age and in need of nursing care in the home after discharge from the hospital. With Medicare it is anticipated that there will be a shortage of hospital beds making the hospital stay shorter and requiring nursing care at home. For this reason we are urging the town fathers to start planning to provide this type of service, and to discuss means of hiring a local Public Health Nurse. Health Education, Prevention of Disease by teaching proper Immunizations, Exercises and Nutrition, Care of Sick and Rehabilitation of the Aged are all nursing services needed in each and every town. The state nurse covers 15 towns so would not be able to do this work. The possibility of combining small towns together to be serviced by one nurse, Ex. Campton and Thornton is feasible and would be less costly. The office of Economic Opportunity, with headquarters in Opera Block, Woodsville, may be able to assist with funds to start this project. This possibility could be investigated.

Tax money is used for schools, road maintenance, police and fire protection. Healthy citizens should be as important if not more, because without health we cannot function and with good health we are at our maximum physically and mentally.

My sincere thanks for the cooperation received.

Respectfully yours,
LORETTA B. RUSSELL, R. N.
State Public Health Nurse
Lincoln, N. H. 03251

HEALTH NOTICE

Announcement of the opening of a newly-formed mental health clinic, providing services to the residents of this area.

White Mountain Community Services, Inc.
111 Cottage Street, Littleton, New Hampshire

Clinic Hours:

PROGRAM OF THE WHITE MOUNTAINS REGION

ASSOCIATION 1965 (28th Year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 38,317 individual folders by mail. The balance were distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for New Hampshire Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Outstanding Farm Wife of the year."

Have sent weekly bulletin of lodging inquiries to member innkeepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, New Hampshire Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.

Respectfully submitted,

JOHN P. WILSON

Executive Secretary

Lancaster, New Hampshire

TOWN PLANNING

In compliance with the action taken at the 1965 annual town meeting, the selectmen of Thornton have appointed the following members to represent their respective sections of the town on a town planning study committee:

Edward Pritchard
R. Wendell Phillips
Theodore Harding
Bert Benton
Leslie Smith

Mary Gridley
Charles Ouellet
Chester Brown
Marjorie Broad
Lester Sargeant

This is not in anticipation of enacting any zoning ordinance, but rather to evaluate our town's assets and problems and to so plan for the future that we may reap the maximum benefits from the highway construction and other developments which will be taking place in the next few years.

We feel that this committee represents a fair cross-section of our town in that some are lifelong residents, some are new residents, and some are non-residents and they are engaged in a wide variety of occupations.

RICHARD BRADLEY

ARTHUR GROSS

ALTON BENTON

Selectmen of Thornton

THE TOWN CLERK

The office of the Town Clerk can be traced back in its origin to the first settlements of the State, made under proprietary land grants in the Province of New Hampshire. Since 1699 the office has been elective in each town.

A few of the Town Clerk's duties are:

The custody of Town Records.

Preparing ballots for Town Meeting. The custody and delivery of ballots for primary and general elections. Recording of Town Meetings and the reporting of all election results to the Secretary of State.

Record and report all births, marriages and deaths.

Record chattel mortgages and conditional sales agreements.

Issue burial permits, dog licenses, marriage licenses and motor vehicle permits.

Other duties of the Town Clerk are described in "The Town Clerk in New Hampshire", a booklet on file at the town clerk's office which anyone is welcome to examine at any time.

Registration time for automobiles being "upon us" once more, I would like to call attention to the statement on the registration application "All poll and head taxes for which (I am) liable have been paid. Application is signed under penalty of perjury". For 1966 registrations this refers to such taxes for the year

1965, and a husband is liable for the payment of his wife's taxes. There are fines for applying for a registration when such taxes are not paid and the registration is subject to revocation. Many town clerks require that the applicant present his receipted tax bill before they will issue the application and each year more clerks insist on this. Thornton is a small town where almost everyone knows everyone else and it has been the custom to accept the applicant's word that he has paid his tax. There are occasional slip-ups, but on the whole the system has worked satisfactorily. Your town clerk hopes that we can keep it that way; with everyone's cooperation, we can.

Deadlines to remember—

Filing for Town office—5 p. m. of second Monday next preceding the day of election.

Applications for current year license plate number the same as preceding year—Second Wednesday in February.

Dog Licenses—June 30.

Automobile licenses (registration) expire March 31. Note that Auto. registrations have been increased for 1966 \$3 to \$5 each. Town taxes remain the same except for transfers which are now \$2 instead of 50 cents.

	<hr/>	
TOTAL EXPENDITURES		\$3,537.81

The Tar Fund was used to purchase three loads of asphalt. The first load of 1450 gallons was a rainy cold morning so it was placed in barrels for patching purposes. The second load of 1950 gallons was used on the Mad River road to seal it until rebuilding funds can build up. The third load of 2150 gallons was used on the Gore road which had not been sealed for four years.

A large deposit of clay was dug out of the road at Mad River near Herbert Waters place and was successful in removing a large frost heave.

Our town bridges have been entered into the state maintenance project. The bridge engineer has looked at them and we are now waiting for his estimate of cost. This report we hope can be in our hands for town meeting.

CEMETERY REPORT

As usual the Pine Grove Cemetery was mowed three times, the Hanson Cemetery was mowed twice and the Gore Cemetery once. Roy Sawyer took care of the Mad River Cemeteries in his usual efficient manner.

BERT BENTON,
Superintendent

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Thornton qualified to vote in district affairs:

You are hereby notified to meet at the Thornton Elementary School in said district on the third day of March 1966, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to accept the provisions of Title I, public Law 89-10 (Elementary and Secondary Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

10. To see if the District will authorize the School Board to negotiate tuition contracts with other districts for the education of pupils in grades 9-12.

11. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

12. To see if the District will vote to establish a Contingency Fund to meet the cost of unanticipated expenses that may arise during the year in a sum not exceeding \$500.00 in the budget within the provisions of RSA 198:4-b.

13. To transact any other business that may legally come before this meeting.

Given under our hands at said Thornton this fourteenth day of February 1966.

ARDELLE GILMAN,
School Lunch Supervisor

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the School District of Thornton of which the above is a true summary for the fiscal year ending June 30, 1965 and find them correct in all respects.

PHYLLIS HOLBROOK
LOIS IGNASZEWSKI

REPORT OF SUPERINTENDENT OF SCHOOLS

Hereby submitted is my annual report as your Superintendent of Schools.

When school closed in June we were sorry to have Mrs. Hartwell leave but I am sure we are happy she is enjoying a well-earned retirement. Mrs. Lambert resigned to take a position in the southern part of the state, leaving us with two vacancies to fill. Mrs. Pel-tier, a graduate of Johnson State College in Vermont, was employed to replace Mrs. Lambert. She has a good understanding of young children and is a competent teacher. We were fortunate also in securing the services of Mr. Tkach to replace Mrs. Hartwell. I like the progress he has made and think he has done an excellent job as teacher and school administrator. Very modestly, the school has embarked upon a program of departmentalization in the upper grades that is already beginning to show results.

With minor changes in the bus schedule and class programming, the school is operating as in the past. Hot Lunch Supervisors have been a problem during recent years. We lose an excellent one never expecting to find a replacement that is as good but somehow someone appears and the lunch program continues as efficient and good as always. Mrs. Sargeant who replaced Mrs. Gilman this fall has proved to be no exception.

The testing program is adequate now but if we continue to educate grades 7 and 8, I would recommend aptitude tests and personality inventories to aid in High School placement. This all comes under the heading of Guidance. Mr. Tkach is now trying to do some of this. However, time is so limited it is almost impossible to make much progress. I would recommend for consideration in the not too distant future that a Counselor be employed, on the same basis as that of a music teacher, who could go from town to town on a regular schedule and provide invaluable service. Many

boys' and girls' problems with High School or the grades could be avoided with good guidance service.

The decision of adding someone to the staff to help with the Reading Program was a wise one. The regular teachers of some of the participants I am sure can see results already that could not have been attained within the regular classroom. I hope this service will be allowed to continue.

After next year, our textbook situation should be excellent. By the end of this school year, we should have modern up-to-date editions in Mathematics, Reading and Science. The budget allows for new Language Arts books for next year. The only areas remaining that need some attention will be that of Social Studies but this can wait until the new State Curriculum comes out so we can purchase books that will best coincide with the recommendations of the State Committee of teachers and supervisors.

You will be asked to make a decision in your district warrant concerning the acceptance and use of Title I funds under the Elementary and Secondary Act of 1965 Public Law 89-10. There have been many questions raised around the state concerning the acceptance of this money. It is ironic that some towns for years have accepted willingly Federal Funds to operate a hot lunch program and have accepted funds under Title III NDEA to help purchase Math, Science and Foreign Language equipment all without fear of Federal control. I would agree that I personally would want no part of a program that in any way would bring Federal controls into our schools in terms of what we teach, who teaches it and the materials we use to accomplish our purpose. At this time I am not concerned that this is the case. Under the provisions of the lunch program which we sign every year, agreement is made that Hot Lunch Records may be subject to Federal inspection. In the nineteen consecutive years I have been connected with hot lunch program, I have seen one Federal inspector. I think a great deal of good can come from the use of

these funds and I recommend their acceptance. If the time comes when Federal controls enter the picture, I would most certainly then recommend that you consider your choice very carefully.

It is not definite at this writing whether or not the cooperative school will have been voted upon by the time regular school district meetings are held. If the voting meetings have taken place, and your town has accepted the provisions of the Articles of Agreement, then I congratulate you for I think you have made a wise decision. If the vote has not been taken, or your district has voted against it, I would hope you will take another long hard look before it is too late. As has been brought up at so many of the hearings, the 7th and 8th grade students, where an accredited Junior High School program is not available, are the ones where there is the most lack at the present time. With the broadened curriculum offering that ought to be available for these young people, some districts with their low tax base cannot possibly financially afford to meet their needs. As far as the students in grades 9-12 are concerned, a broader curriculum offering with more students will make keener competition and produce better trained young people to go on to college or to enter the work force. A new and larger centralized school would provide many of the answers to better education for all. After wrestling with this problem for a number of years, I am convinced as I think most members of the Planning Board are, that the solution your committee has approved is the best and most economical for everyone.

I appreciate the cooperation and help I have received during the year from the School Board and the staff of the school.

Respectfully submitted,

M. WAYNE BOWIE

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953, of the State of New Hampshire, requires that the school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1964-65 received a salary of \$10,050.00 which was made up as follows: \$4750.00 paid from the per capita tax and \$5300.00 prorated among the several school districts. Allowances of \$1100.00 for travel within the union was also prorated as stated above. The several school districts numbered five in 1964-65. The School District of Warren became a part of Supervisory Union No. 48 as of July 1, 1965.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$1,001.70	\$ 207.90
Plymouth	2,703.00	561.00
Rumney	821.50	170.50
Thornton	503.50	104.50
Wentworth	270.30	56.10
	<hr/>	<hr/>
	\$5,300.00	\$1,100.00

Superintendent's Salary for 1964-65 based on the above figure is reconciled as follows: \$4750. paid from State per capita tax plus \$5300. paid by various districts, equals \$10,050.—Superintendent's basic salary.

M. WAYNE BOWIE

Superintendent of Schools

PRINCIPAL'S REPORT

We began the school year with an enrollment of 86, but as a result of two children moving out of the district, we presently have 84 students in grades one through eight.

There have been a few changes made in the curriculum this year, which we hope have been for the betterment of the students.

The upper four grades (5-8) have been partially departmentalized so as to utilize to the fullest extent the strengths of each teacher. This also affords to the students of this age level a break in the chain of continuing reliance on a single teacher, and hopefully leads to greater independence in study habits.

Another addition to the curriculum has been the inclusion of an athletic program, although it has been somewhat limited as a result of the lack of adequate facilities. The program has consisted of interschool competition in football and girls' basketball, and hopefully will include baseball in the spring.

Perhaps the greatest innovation in the curriculum has been the addition of the part-time remedial reading teacher. Since most of the work in our school system involves some amount of reading, it is necessary that all of the students be able to read to the best of their ability, and in the case of Thornton Central School, as many as 30% of the students are believed to be reading below their normal ability level. While this program has been able to include, to some degree, a majority of these students, there are still some that cannot be included, and some who have limited time available for them, due to the present scope of the program.

Once again there has been a 50% turnover in the teaching staff, which, by any standard, is not a desir-

able situation. It is possible that a continued lack of continuity in the teaching staff could have adverse effects on the progress of the students, since it takes a certain length of time to establish good working rapport, between teacher and student.

In addition to the continuity problem, there are many material things we feel are needed to supplement the "regular" curriculum so as to better facilitate and improve the learning process. The most important of these are proper library facilities, and improved audio-visual equipment.

Respectfully submitted,

A. BERT TKACH

SUPERVISORY UNION NO. 48

SCHOOL CALENDAR

School Year 1966-1967

- September 6, 1966—Teachers' Meetings
- September 7, 1966—School Open (Wednesday)
- October 12, 1966—Schools Closed—Columbus Day
(Wednesday)
- October 21, 1966—Schools Closed—Teachers Convention
(Friday)
- November 11, 1966—Schools Closed — Veterans' Day
(Friday)
- November 24 & 25 —Schools Closed — Thanksgiving
Recess
- November 28, 1966—Schools Reopen (Monday)
- December 22, 1966—Schools close 3 P. M. (Thursday)
- January 3, 1967—Schools Reopen (Tuesday)
- February 17, 1967—Schools Close 3 P. M. (Friday)
- May 1, 1967—Schools Reopen (Monday)
- May 30, 1967—Schools Closed— Memorial Day
(Tuesday)
- June 21, 1967—Schools Close 3 P. M.—SUMMER RE-
CESS.

This calendar allows for 183 school days. Three days may be lost because of storms or emergencies before any time needs to be made up. Otherwise, schools will close at the end of 180 full days as the Law requires.

REPORT OF SCHOOL NURSE

The nurse made thirty-four visits to the school and ten home visits. On each trip to the school she visited class rooms, inspected children and gave advice and first aid treatment when necessary. Each child was inspected for skin, scalp, hair, infectious disease and teeth. A hearing test was done on each pupil as was vision screening tests. Each child was weighed and measured. Notices were sent home regarding the children when necessary.

A toxoid Clinic was held January 22nd. Seventy-six received toxoid assisted by the State Nurse and Dr. Parker. The school nurse assisted with the T. B. Stern needle tests on Grades I, IV, and VIII. Teachers and School Lunch help.

The nurse assisted parents on Sight Conservation and Clinics, held a pre-school registration May 14th, and brought first aid supplies to the school. Parents and close relatives of positive reactors to the T. B. tests were also tested. Notices were sent of the T. B. Chest Clinic. The nurse attended the X-ray Clinic in Plymouth in May and November.

Health records were kept on each pupil.

The nurse attended Speech and Hearing Workshop, School Nurses' Meeting in Concord and State Teachers Convention.

Respectfully submitted,

HELEN H. FISHER, R. N.
